

Linux Fundamentals – Part 4

The Tree of Linux

Objective of today's byte

To utilise the CLI in a more familiar manner

Today's information primarily in a quizlet follow on.

The Why

Some things it is better to have hands on and practice than be shown. As such today's lesson will be a student follow on via quizlet.

The Resource

Quizlet Linux Practice Exercise

Everything you need for today's lesson is in both this practice quizlet lesson and Week 3 partner document. Week 3 Partner document can be used as reference for commands you may need.

Complete the exercise either without looking at the answers or follow on step by step by looking at them. The objective is to complete all 37 tasks.
